Description
LA Confidential 76%

LA Confidential is a well-known indica-dominant hybrid cannabis strain created by DNA Genetics, a cross between OG LA Affie and Afghani strains.

Key characteristics of the LA Confidential strain

- Type: Indica-dominant hybrid (90% indica, 10% sativa)
- Genetics: OG LA Affie x Afghani
- THC Range: Typically between 17% and 30%
- Effects: Deep relaxation, euphoria, potential for couch-lock, sleepiness, pain relief, increased appetite. Some users may experience dizziness, paranoia, or anxiety, especially with high doses.
- Medical Uses: Chronic pain, insomnia, stress, lack of appetite, anxiety relief, chronic pain spasms.

- Aroma and Flavor: Sweet, earthy, skunky, piney, with hints of spice and nutty undertones (especially in the hash version).
- Cultivation: Relatively easy to grow, adaptable to indoor and outdoor environments, finishes flowering in 7-8 weeks.
